Consultancy

Range of consultancy services, particularly for governments and related organisations implementing programmes of reform,
democratisation and poverty reduction

Flexible with expertise in managing large- scale and long-term projects as well as short-term assignments

Collaborative approach to develop a shared view of outcomes

Consultants with expertise in focusing on local needs and priorities and awareness of different political, social and cultural
environments

Effective liaison with other projects and donor organisations to understand the context

Virtual Workshops

Live webinars with Workshop Directors, key experts and
practitioners

Delivered using a web conference software which
enables session leaders and participants interact in real
time

Guided study on exercises set by the Workshop Director

Participants connect in on line discussions and social
media for group activities

Personal coaching

Face to Face Learning

Visits – to practitioners in government, parliament, civil
society and the media

Practical – interactive sessions, case studies, problem-
solving

Participants can actively practice and collaborate with
guidance from an experienced facilitator

Network and spend time with peers as well as facilitators

Tailored Workshops

Face to face learning or virtual workshops

Designed to meet your organisational and individual needs

Delivered at a time convenient to you

Value for money for large groups

Managers implementing a change programme work together and learn together

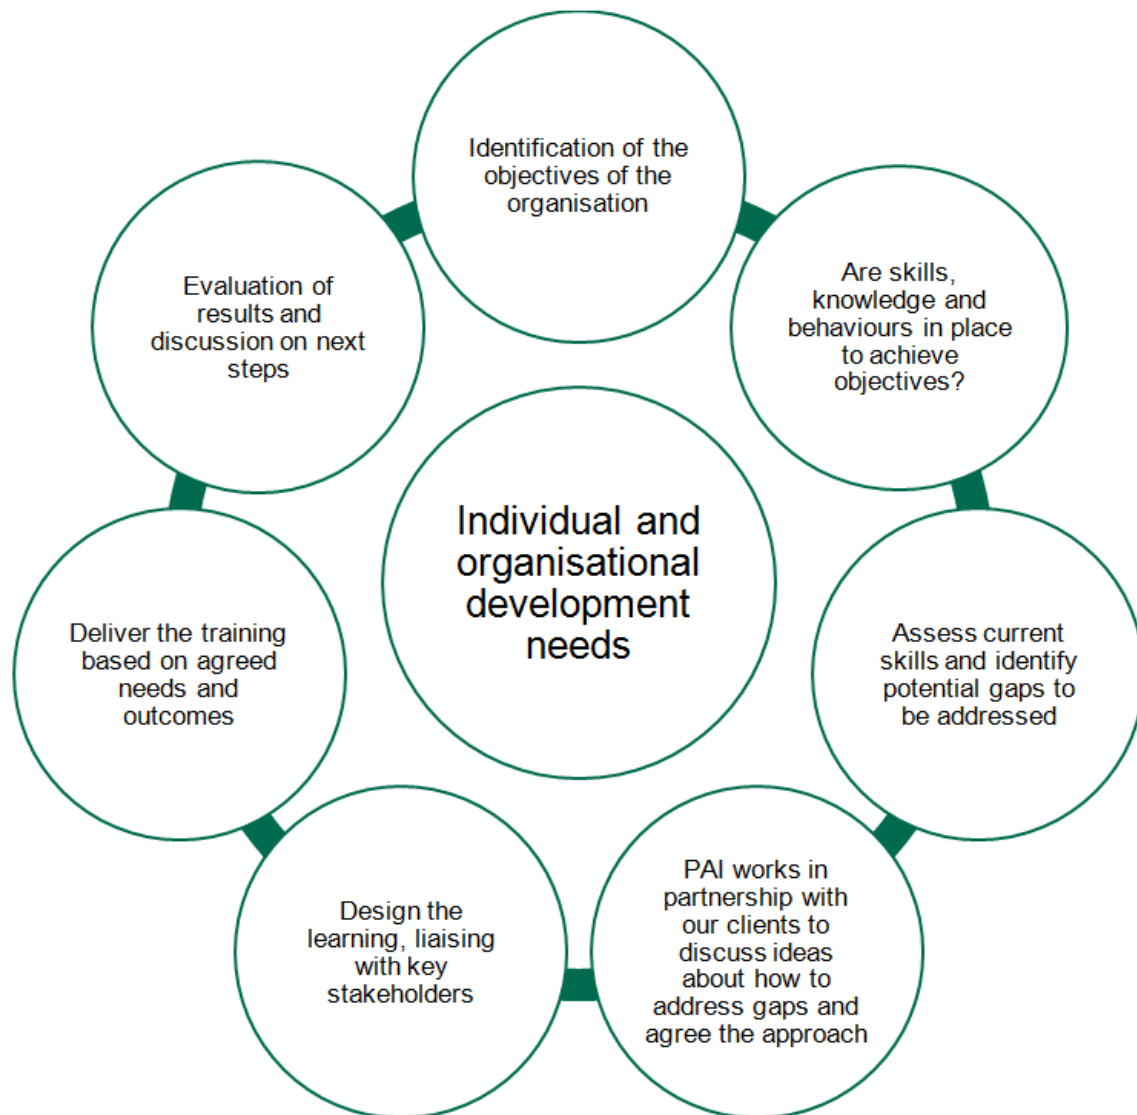

Workshop directors, experts and key practitioners – all selected with background and expertise relevant to your organisation

Which option is right for you?

We have a dedicated resource at PAI to discuss and help with the capacity building requirements within your organisation. The next step will be to browse the workshops in our catalogue and/or schedule and to contact Denise Smart. Denise has over twenty years' experience in international development and capacity building. She has given advice on building tailored programmes and on transformation and developmental needs.

PAI will work with you to meet your developmental objectives and help you achieve successful outcomes.
